YOU
HAD
A
VISITOR

In contrast with today's troubled world, God promises that, in the "new earth,"

"They will actually sit,
each one under his vine
and under his fig tree,
and there will be no one
making them tremble."
—Micah 4:4.

Would you like such security? Why not investigate the promises described inside?

I stopped by as a concerned neighbor. I believe that the big problems we all face have a deeper meaning than most in our community realize. You know the problems:

Higher Food Prices

Family Breakdown **Crime and Violence**

Sickness and Pollution

But are men solving these problems? No, they cannot. Well, then—

ARE THESE "THE LAST DAYS"?

You may be surprised to learn that these very calamities were predicted for our generation. The Bible calls this period "the last days."—2 Timothy 3:1-5.

Is this another cause for fear? Not if we know the Bible's promises. Jesus Christ tells us: "As these things start to occur, . . . lift your heads up, because your deliverance is getting near."—Luke 21:28.

DELIVERANCE INTO WHAT?

Into a peaceful world so different from today's. It is called a "new earth." There God will "wipe out every tear from their eyes, and death will be no more."—Revelation 21:1, 4.

Of course, you may find all of this hard to believe. But looking further into the Bible will answer your questions. I would really like to talk with you about these things. I will call at a later date. But may I suggest that you now contact the local Kingdom Hall of Jehovah's Witnesses or write for the free booklet offered below.
